This devotional is great as it is down-to-earth, uplifting and inspiring words about the Lord, especially in times of grief and sadness. Just hours ago, I called a prayer line but no one was there, to ask them a very important question to me about God's word. I am deeply saddened and troubled as I am very ill and may have lost my only son forever, among other life-threatening problems. I opened the brand new devotional for the first time this morning, and to my surprise it had been earmarked (perhaps through shipping). It was earmarked to a page/devotional that not only gave me the answer I so badly needed, it gave me hope to hold on and to know our Heavenly Father hears us and all we need do is wait and not fear. I feel deeply relieved. I have always liked Joyce

Meyer's devotions, and this was is a great one to start the day. Thanks, Joyce Meyer.

Bestselling author Joyce Meyer, a well-known Bible teacher on radio and TV world-wide, has come through once again in this inspiring book of devotionals. She chronicles a devotion for everyday that uplifts the soul with direction, and guidance along the way. She teaches the reader how to believe and have trust in God and in themselves, especially helpful if the person has lost all trust and faith. What the world needs now for any individual going through a crisis, feeling that they need healing, or simply needs to seek comfort and security is exactly what the author has delivered. Joyce Meyer makes a difference! I gifted this to my daughter, a special needs child, who suffered trauma from bullies this past year. As her disabilities were attacked, so was her mental and physical health. Individuals that suffer such trauma for one reason or another, not only need medical attention for the damages, but just as important, healing for their mental stability and well-being. Joyce Meyer is an expert in helping anyone regain their confidence and self-esteem, simply by learning how to believe once again. The results of this book can help to mend the broken pieces, alleviate fear and anxiety, and guide the reader to move forward. In addition, the author helps to boost positive behavior, motivate, and lift your spirits to a favorable comfort zone. I can only say with deep respect and admiration, 'Thank you Joyce!' Refreshing, uplifting, and powerfully moving throughout. Highly recommended!

I love love this daily devotion. Seriously, it's my best friend every morning when I wake up. The scripture verses are too short, so I tend to read a little more to get more background info. My 10 months old loves the front cover so we read it together.

I am college student, and was looking for something short but also personal. "Trusting God Day by Day" offers a verse, a short summary, and a challenge for you to reflect on. I have only read about a months worth of devotionals, but this book seems to encourage tackling negativity and guilt. I highly recommend this book for someone who wants to work on becoming more positive and understand God's grace more intimately.

This book is amazing. I bought this book when I was going through a particularly rough time in my life. Each day, I honestly looked forward to reading this book to give me some light. I truly believe it has helped me to take control of my life and helped me out of a dark place. I highly recommend!

Just don't care for Joyce Meyers writing style, too condescendingly simple and really geared toward the women with a husband and children that she is totally devoted to - to the exclusion of all else. Just not for me. Give me "Jesus Calling" any day. Really disappointed in it, especially since Trusting God was our church's word for the year. Just ordered something else finally for 2015.

I bought this as a gift for a friend and she loved it. It's a good "meaty" daily devotional. My friend would send me pictures of parts of the devotional and telling me how much she loved it.

A nice binding on the devotional, but the content is pretty shallow. If you are looking for a devotional that goes deeper into God's word, this may not be for you. However, if you're a newer Christian, this may be just the right fit.
