# Sex: A Pocket Bible Study & Journal

## Synopsis

Hayley DiMarco knows that teens are hungry for God's Word. They want to know what God has to say to them and how they can apply his truth to their lives. But there are just not many teen-centered Bible study materials out there that connect. Hungry Planet to the rescue! Combining unique packaging with honest, teen-focused content, the Hungry Planet Bible Studies are what teens, parents, and youth pastors have been waiting for. In each volume, Hayley leads teens in an inductive Bible study in order to get the most out of the Scriptures. The studies are topic-driven--with volumes on mean girls, dating, modesty, and purity--so they speak to teens at a felt-need level.

## Customer Reviews

This really got me through college (along with cru) pure and confident with my choice to stay virgin till marriage

This book is really nothing but an attempt to scare teens and gullible adults away from even thinking about sex. calling sex a "curse" etc. Typical christian-right stuff. Not worth reading and certainly not worth spending good money to read.

wow scaring teens heck no this motivates us to not have nipple pumps
