Customer Reviews

I want to love this book, I really do! The problem is the print is so light that it is hard to read. I don't know if this is just my copy or if all copies are like this.

this is a good item, but the seams that hold the pages together arrived in a condition that does not allow the pages to be used correctly.

Have given several and everyone that gets this book loves it and lets me know.

What a meaningful and inspiring book! I look forward to reading it each day.

Everything was excellent - everything! Thank you!

LOVE THIS BOOK! REACH FOR QUITE FREQUENTLY!
