The Million Dollar Goal (Million Dollar Series)

Synopsis

Twins Dawn and Dusk Rosenberg live for hockey and worship the Montreal Canadiens. But their dad hates the game, and their crotchety, foul-mouthed grandmother thinks the twins should be doing homework and chores instead of wasting their time shooting pucks. When Dawn and Dusk's dad gets the family tickets to the next Canadiens game, they can't believe their luck. They're even more psyched when they hear about the million dollar goal contest. A randomly chosen fan will get the chance to shoot a goal to win one million dollars. One shot for a million bucks! Could this be the beginning of a dream come true for Dawn and Dusk-or the biggest humiliation of their lives? Dan Gutman scores again with this funny book about family, hockey, and million-dollar hopes.

The Million Dollar Goal was a great book! I gave it five stars. It is sad, funny and disappointing. This book is very sad at parts so I would not recommend it for children under six. I think it was a great book and I couldn't put it down!

Twins Dawn and Dusk Rosenberg live for hockey and worship the Montreal Canadiens. But their dad hates the game and their foul-mouthed grandmother thinks the twins should be doing

homework and chores instead of wasting time shooting pucks. When Dawn and Dusk's dad gets the family tickets to the next Canadians game, they can't believe their luck. I think this is the book for sports fans. I give it two thumbs up. This book will make you laugh and cry. I love this book. Dan Gutman describes the characters superbly. I like this book because every second there's excitement. There's a lot of twists and turns in this book. I suggest you read this book unless you don't like action, comedy, excitement, and sports. I mean who wouldn't like that? This is one of Dan Gutman's million dollar books.

The Million Dollar Goal is a good book. The title of the book makes you want to read it. The main people are Oma, Dusk, Dawn, Mom and Dad. The mother is nice. The father is a little mean until the end of the book. Dusk is the younger brother. And Dawn is the older sister by three minutes. Dusk is a smart mouth. And Dawn is mature sister. Oma is just an old cranky grandmother who says bad words and farts. They are a family living in Canada. The characters are weird. Their father gets ticked off when the kids talk about hockey in front of him. Their father doesn't come to most of their games and when he does he just reads a news paper. The book is funny and interesting. I think you will like it! The reason I like the book because it is funny book.
