Customer Reviews

I really enjoyed this segment of the Grace Series by Staci Stallings. Her books are always guaranteed to make the reader think and evaluate his/her own life. She uses real life situations to showcase the love of God and she always directs the reader back to the saving grace of Jesus. Stallings does so in a way that feels natural to the reader and is highly encouraging. Some parts of the book may be hard to read as they really do cause the reader to evaluate their own walk with the Lord. However, by the time the reader has finished the book, he/she is left feeling encouraged and wanting to make some changes in his/her own life. Thank you, Staci Stallings, for another enjoyable book that I couldn't put down!

I have read previous books by this author. But, this one really made me think. I love that an author can challenge me to rethink how I am living this life we are given. This book makes me desire to be a better person.

Loved Jaycee and Derek, but the does he like me or could she ever like me bit drove me nuts...I just wanted to say YES! Let's see what happens next! Lol!The Pastors sermons and advice were awesome! Loved every word. Adored Mrs. P. in this book also.I recommended to 3 of my family members.Thanks Staci for another great detour from my reality. Just Loved!

This book is an enjoyable challenging read . Enjoyable because it has a good storyline srrong characters and is a love story of the best kind. Challenging because in watching Jaycee snd Derek move beyond the settled confines of their relationship to something they couldn't imagine, we are faced with looking at our own relationships .The reason I find Staci Stallings such compelling writer is that as well as entertaining she manages to leave me more positive about my own faith and circumstances. These are believble characters in believable situations making believable decisions .Looking forward to reading the next book in this series
