Cursive, Grades 2 - 4 (Handwriting Skill Builders)

Synopsis

Skill Builders are great for the child who needs extra practice, for the accelerated child who enjoys an extra challenge, and for the young learner who is developing basic concepts and readiness skills. High-interest activities use art to encourage children to have fun while learning. Well-paced activities gradually become more difficult as children progress. Includes over 100 activity pages, as well as answer pages where needed. Cursive Handwriting is packed with fun-to-do activities and appealing art to motivate students.

Customer Reviews

My son's school uses this book for handwriting. I was sooooo happy to be able to find it on . This way his handwriting can improve.

Super helpful to supplement what he's not learning in school however a couple of the letters are not the exact shape that I learned. It's funny that the actual form differs from book to book.

Great for working with my boys

Fab find. Great condition.
