Customer Reviews

This was a decent entry but was way to short and did not really give much in the way of story. I liked it because it gives me my fix of Harry's world, but I could do with something more. Fans of Dresden will feel compelled to read it.

I love Dresden's humor. I can't wait for more novels. I have just began reading thhe graphic stories and enjoy them just as uch.

i loved it. It was great to see murphy in the comics I am enjoying seeing the story unfold. I hate
