Corrie Ten Boom: The Watchmaker's Daughter (Trailblazers)

Synopsis

The story of Corrie ten Boom has inspired millions of people all over the world. Jean Watson is a skilful author and presents Corrie's stirring life and challenging hope-filled message for young readers. The Watchmaker's Daughter traces the life of this outstanding Christian woman from her childhood in Haarlem, through her suffering in Nazi concentration camps, to her world-wide ministry to the handicapped and underprivileged. This exciting victorious book will allow you to meet this beloved woman and learn of God's wonderful provision and blessing through adversity.

Customer Reviews

I am currently reading this book to my class of fourth graders in a Christian school. The students are riveted on the story and can't wait to hear the next chapter each day. They don't want me to stop reading it. It is a beautiful and easy-to-follow story of her amazing life and ministry to the Jews during WWII. I can definitely recommend the book as it is an emotionally moving true story of kindness versus evil.

I found the Watchmakers Daughter to be very interesting and enjoyable. It was a school book for me and at first it was slightly avoided but I found it to be intriguing and a page turner. It shows a great part of history that may not be covered in your typical history book. I already enjoy learning about

the first half of the 1900s, or so, and this enhanced and piqued my interest in it. I didn't want to stop reading.~Savannah, 14yr old student

I chose this rating because I completely loved this book!! I like the fact that she pressed on and loved Jesus with all of her heart. I would recommend this book to anyone who loves amazing stories about Christian heroes.

Excellent book - appropriate for all ages. My daughter is using it for a book report and so many people have never heard of Corrie ten Boom so this was a great experience. We all learned from the book and enjoyed reading - it wasn't boring like many biographical accounts are.

I'd rather have my children reading books like this, than MOST of the things published today. A true testament to Corrie's faith in the one and only True God.
