## Customer Reviews

This is another additional to a wonderful series. The writing and flow of the book is perfect for my 8 year old and if you were concerned there may be a bias according to the times and events this book is daring enough to address the questionable without casting doubt on the miraculous. It is a very honest approach to an important spiritual time in our nation and for the Christian faith.

This is a wonderful book for kids - my 8 and 6 year olds could not stop reading it. We have purchased the whole series and they are inspiring and wonderful for children to read, especially in these times!
