# The Popular Dictionary Of Bible Prophecy: More Than 350 Terms And Concepts Defined

## **Synopsis**

This wonderfully easy-to-use tool explains every prophetic term in the Bible clearly and concisely. Definitions are arranged from A to Z so readers can quickly and easily find any word or phrase that is important for understanding Bible prophecy. Many entries include relevant Bible verses as well as helpful insights from the original languages (Hebrew or Greek) and from archaeology and history. Readers will discover how terms work together to build a systematic end-times theology. Where various interpretations are possible, a generous explanation of the different viewpoints is followed by the author's reasons for holding his view. The wide variety of topics includes references to... books of the Bible (Isaiah, Eschatology of) words included in prophetic Scriptures (abomination of desolation) theological words not included in Scripture (amillennialism) people (Abrahamic covenant) places (Babylon) events (rapture) Perfect for Bible readers of all levels.

Just starting to read this book. Has a lot of good information inside. It will be great for my study and help to understand some questions. Good price thanks

Ron Rhodes is a great author and really has seemed to have done his homework, its a great book for your library.

If you are interested in learning more about Revelation the last book of the New Testament, then

read this book. It's a great coffee table book as well. You can just open it up and read any place in the book. Remember these are concepts of the bible, but great interpretation of Revelation. Get it and enjoy!

I find this book a very useful tool. It's bring out the clear and concised terms that is very important in understanding the prophecy in my personal studies. I do highly recommend for anyone when it comes to study the Bible prophecy.
