Drawn from every book of the New Testament, The Giant Book Of Children's Sermons -- Matthew To Revelation contains five full years worth of children's sermon material you can share with your young disciples. Each of the 260 talks teach children God's Word through the use of common objects that illustrate an important concept in the scriptures. The messages come from Wesley Runk, a pastor and master communicator with kids who has written over 30 best-selling collections of children's sermons, object lessons, sermon books, sermon resources, and worship resources. Runk uses a warm and often humorous approach to take on even the tough topics of the New Testament -- and the analogies he creates with the use of such simple objects as bananas, clocks, puzzles, and funnels add visual focus for the kids and help them grasp the point on a level suitable for their age. Now, whether you're preaching from the Gospels, Acts, the letters of Paul, the general Epistles, or even Revelation, you are certain to find an appropriate related talk for the children. And with convenient features like scripture and object indexes for quickly locating material as well as a CD with text files that lets you easily adapt the messages to your specific circumstances, The Giant Book Of Children's Sermons may be the last children's collection you ever need! Lessons include: * The Great Picnic (Matthew 14:13-21) * You Are Jesus' Magnifying Glass (John 17:20-26) * How To Settle An Argument (Acts 15:22) * The Key Ring That Unites Us (Romans 6:2b-11) * Do The Dishes? This is an excellent resource for my purposes as chaplain in a nursing home. I use the examples and texts for sensory bible study sessions with the elderly. They respond to the presentations with joy.

Whenever I need something quick for Children's time at church, I turn to this book. The object lessons coincide with the week's bible scriptures.

"Giant Book" has been an excellent tool for usage in our congregation.

Great book for looking up ideas for my weekly childrens stories.
