# Restoring Your Shield Of Faith

## Synopsis

This message from Chuck Pierce and Robert Heidler likens our spiritual defense to that of the children of Israel while in battle. Within the ranks there were those who carried huge shields to protect the bulk of the army. And just as we fight spiritual battles today, there is a mighty shield we can carry to protect us. This shield of faith is one of the main ways we can resist our enemy's attacks. We are fully capable of resisting the enemy's attacks, but we must first be able to recognize how Satan fights. His main weapons are to create fear and doubt in us and to tempt us to become complainers and murmurers. If we succumb, our faith is weakened. The keys to increasing our faith are found in knowing the Word of God, which engenders praise, thankfulness, trust, and obedience.

## Customer Reviews

I eagerly anticipate each new book by Chuck Pierce, and this one does not disappoint. It gives essential information about faith; what it can do, and how we can cooperate with God to increase our faith. The story about shields in the time of the Roman Empire (the time in which Scripture was written) was an incredible word picture of the shield of faith. This book has the "meat" of the Word

about faith, suitable for both new believers and ones that have been around a long time (like me). It is not a long book, and easy to read. But it will take a longer time to digest, because of its rich content. I will be returning to it again, and no doubt again.

Without faith it is impossible to please God; pleasing God is very important to Christians and yet we often struggle in the area of believing...Shield of Faith helps identify areas of lack and encourages & empowers you in faith.

This is the type of book that I will keep on my nightstand and use for years to come. It is an amazing, faith-building work! This piece has stirred, inspired, encouraged, and fortified me to face the battles that all Christians have. I am part of a small group of women who are reading this together, and we all love it and recommend it highly! After the battles of life, sometimes we need to have our faith restored, reinforced, and built built to higher and stronger levels; and that's exactly what this book does.

Our Ladies Bible study group at church is using this book for study. We find it easy to read and very uplifting. For those who face trials and adversity in life this is the book to read to restore your faith! We highly recommend it.

This is an outstanding book on faith. It includes practical, easy-to-read teaching on basics such as what faith is and the enemies of faith as well as more mature teaching on how to enter a whole new dimension of faith. (Teaches about 10 levels of faith and 7 dimensions of faith -- e.g. Saving Faith, Warfare Faith, and Overcoming Faith.) This book really helped me to think through what I believe and what I actually trust in and see how to raise up my shield of faith in daily life. If you want to refocus your eyes of faith on God instead of the giants and the waves, this book is a great to start!

This book is awesome!!! I really needed it & found my faith moving to a higher level reading this book. I also found places to book mark so when I need a reminder, I can go straight to the help I need. Get one for someone you love who is going through a battle it will help them.

I felt this covered so many of my questions on the shield of faith. Chuck Pierce gives excellent visual examples and brings the subject front and center. Very helpful.
