The Preschooler's Bible

Synopsis

The classic, best-selling The Preschoolerâ™s Bible offers the ideal follow-up to The Toddlerâ™s Bible. Over 100 stories include classics, such as the flood, and less-often told stories, such as Solomonâ™s request for wisdom. With thoughtful questions and captivating writing, this book suits story time, bedtime, or family devotions. And vibrant new illustrations by Tammy Lyon add even more opportunity for Bible discovery. More than a Bible story book, The Preschoolerâ™s Bible offers parents and Church workers a resource that takes little hearts beyond just hearing the Bibleâ™s stories to learning to discover Godâ™s truths for themselves.

Age Range: 3 - 5 years

Grade Level: Preschool - 2

Customer Reviews

It's Never Too Early To Read Scripture!We've been Gilbert's Toddler Bible on and off throughout the year and though my 2 year old (almost 3) still really enjoys it, you can tell she is ready to move on to something different. And as Sam Luce says, it's best to stay "one Bible ahead" of your child. So of course, when I heard Gilbert Beers (the author of the Toddler Bible) had come out with a Preschool Bible, I jumped at the chance to review it. Many of my observations are the same at the Toddler Bible -- let's take a look! The Good* Again, I like the Scripture references next to the stories in the Table of Contents, but it would have been nice if those were on the actual pages as well.* This is a very interactive story book, allowing plenty of room for pausing and discussing pictures and what's

happening in the story. Questions sprinkled throughout the pages provide parents a springboard to talking with their kids about Scripture and their faith.* Emphasis on obedience; Many stories mention the obedience and disobedience of characters and the consequences or blessings that resulted. As a parent who is trying to teach the importance of obedience, I appreciate this factor!* Emphasis on relationship; As I was reading through the story of Abraham, I noticed the phrase "Abraham loved God and God loved Abraham" (p36), showing readers that God desires a relationship with his creation (and He always has).* Multicultural Characters: There are a variety of skin tones in this book, which is great for kids to see.* New Testament: As I mentioned before, I hate it when kids Bible's completely skip over the New Testament, but this Bible does a great job covering the life of Jesus, Peter, Paul, and even Timothy.
