Be Still (Sit For A Bit)

Synopsis

With a repetitive, rhythmic introduction of Psalm 46:10 (âœBe still, and know that I am God!â•), Be Still turns Bible memorization from a duty to a delight for children, using the authorâ™s unique teaching strategy. This purposeful presentation of Scripture will help children memorize, understand, and absorb passages as the author presents this powerful verse one word at a time, teaching the meaning of each individual word before presenting the entire passage. Be Still builds a meaningful connection between Godâ™s Word and a childâ™s life experiences, laying a foundation for a love and comprehension of Scripture. Parents and children will enjoy interacting together over the passage.

LOVE this book. Beautiful to look at on the outside with a beautiful message on the inside. Illustrations engage little ones and help convey this simple yet powerful message...Be still and know that I am God. This book will start as a book you will read to your children, and as they grow it will become a favorite for them as an emergent reader.

As a retired Preschool teacher and Director in a Christian preschool, Iâ™m delighted to recommend Kathryn Oâ™Brienâ™s new book series. Along with blitheful illustration, Bible verses

are instantly brought to life for little ones. How rewarding it is to introduce children to Godâ™s Word in this easy, meaningful, and fun way.

Happy to recommend the Sit for a Bit series by Kathryn O'Brien. What a creative way to share a positive message! Fun illustrations and appealing text will keep little ones engaged, while a repetitive pattern builds reading skills. Bravo, another favorite.
