Huge hit with my newly 9 year old granddaughter as a part of her birthday presents along with the bible and the Messenger Bag. She LOVES it. It is constructed very well with spiral binding, (not shown here) and very quality weighted pages. Each page has art work that compliments the page and a nice quote at the end. It made a little girl who loves to write very happy.

Faithgirlz Journal is a hard cover journal with spiral binding with plenty of room for writing dreams and doodling. Each page has an inspirational quote or Bible verse. All the Bible verses are taken from the NIV unless otherwise stated. There are lined pages to write letters to God or just jot down your thoughts. It also has several unlined pages at the end of the journal for drawing or doodling. It

is a beautiful way for a tween-age girl to explore and discover who God wants her to be. The review below is written by my 9-yr old granddaughter. This review is her own thoughts. I only helped with spelling and punctuation.

REVIEWED AND WRITTEN BY: SARAH AGE: 9

I really liked that it is hard cover and it is spiral bound because the pages won't fall out. I also liked that on all the pages it said something like this "Earth, with her thousand voices, praises God" by Samuel Tylor Coleridge. This journal has 207 pages to write and draw on. I also liked that on the sides of the pages there are pictures of flowers in one of my favorite colors, purple. In the back of the book there are places to draw and put pictures. This is your book to put whatever you want in here it is only between you and GOD.

I would recommend this book.

Disclosure: I was given a copy of this Book by the publisher, ZonderKidz, for an honest review. I was not required to write a favorable review nor was I compensated for my review. The opinions in this review are my own.

Got it for a friend's daughter's first communion and was told it was a complete hit. On the individual pages of the journal there are different quotes about God from all different sources and told that the daughter loves reading them. I looked at the book before giving it as a gift and thought it was absolutely perfect, would buy it again for a gift in a heartbeat.

My granddaughter absolutely loves her Faithgirlz set especially the journal to write notes in!

I am so glad I purchased this journal along with the Bible for our youngest daughter. She has loved testing her ability in memorizing passages and began writing them in the journal to practice. It is a great accessory to have to take notes and keep her engaged especially during AWANAS.

Bought it as a gift for a 15 yr old and she loved it!

My 10 year old loves using this for her devotions so she can write what is on her heart without feeling boxed in by specific questions.

Beautiful journal for my 9 year old daughter. Nice size but not too big. Zero complaints
