I always knew that blessings were important but did not realize that the "spoken blessing is not just saying something nice to someone as they pass by but imparting a blessing was commanded to each of us by God through the patriarchs." After intense study of the Biblical measures and realizing the success resulting from imparting the blessing, I was excited to get started within my own family and friends around me. An important finding for me was that I could even do it by proxy and my family would still be blessed! Everyone should read this book and order the tapes. They are exacting and easy to understand. The author did an excellent job of portraying Biblical methods to everyday living.

This book has been a life-changing experience for my family and me. I will be ordering many more in order to give away as presents. God will bless all who read this.

I great book out on loan right now. Shame we have missed out on the Blessings. Glad I finally got to know about it and can now use the information. Thank you

Awesome to speak to your child. Such a blessing to our family in these negative times we live. We have seen a remarkable uplifting to our adopted daughter.

THIS BOOK SHOULD BE GIVEN TO EVERY PRENATAL MOTHER. I CAN NOT THINK OF A BETTER GIFT FOR BOTH MOTHER AND FATHER.

great for those who want to bless the next generation!
