Customer Reviews

The Lord has blessed Bob Sorge with revelatory insight into many of the dynamics of the secret place, and has equipped him to share his passion for God with us. Sorge avoids making this a formulaic tome or a "how to" handbook on intimacy with God. Instead he writes in very clear, concise, personable, non-repetitious language and is totally consistent with scripture on the joys of seeking God. There are so many books that attempt to provide a recipe on how to have a personal relationship with God, yet the only thing accomplished by following such manuals is that we become so acclimated to pursuing a prescribed formula that we fail to pursue God. Consequently, we become cookie cutter Christians void of fire and passion, so preoccupied with adhering to a fixed set of ambiguous rules that we miss the main thing. Thus, our interaction with God becomes nothing more than a mundane ritual. However, this author, to the reader's delight, keeps the main thing, the main thing--white hot pursuit of the Holy God. "Secrets of the Secret Place" emphasizes that because we are individuals each of us has a different relationship with our Lord. God didn't create us to be mass produced worshipers having no distinctive features. Instead of pointing the reader to a blueprint, Bob Sorge invites the reader to a Person (Jesus Christ). The author encourages the passionate pursuit of God through Prayer, Reading God's Word, Fasting, Listening, Adoration, etc.

The theme of the book never deviates from the Person of Jesus Christ--He is the Star of the book and the Hero of the story. Of course, Sorge shares some of his own personal experiences, but he doesn't overdo it; his illustrations are well-placed and do not detract from the central theme.
