Customer Reviews

In Lineage of Grace we follow Tamar, Rahab, Ruth, Bathsheba, and Mary through their lives as they are each intricately woven into the Lineage of Christ. Tamar shows the story of a woman betrayed, yet a woman determined to do what is right in the eyes of God. Rahab, a harlot, shows that no matter the sin God can still do wonderful things in each of our lives. Ruth, a love story of epic proportions...we see love given from daughter-in-law to mother-in-law, but we also see love shown from man to woman as Ruth takes her rightful place as the wife of Boaz. With Bathsheba, we again see how God can turn a sin into something that is for His glory, if only the participants are willing. And finally with Mary we get an interpretive look into the life of Jesus' mother and the struggles she

went through watching her son, who she knew to be the Christ, grow up and be rejected by a world that was supposedly waiting for his arrival. We see with Mary how God can take the most illogical person to be someone that is important to His plan. This book, Lineage of Grace, is a compilation of 5 separate books written by Francine Rivers several years ago. Each book (then called Unveiled, Unashamed, Unshaken, Unspoken, and Unafraid) included a section at the end called "Seek and Find" where the reader could take a deeper look at the Scriptures pertaining to each story. There were questions to consider and ideas to ponder in order to gain a better understanding of the story itself, but also of how the story and the Scriptures might apply to the reader's spiritual life. Thankfully, the "Seek and Find" sections are included in this new publication as well! Granted, each book is a fictional expansion of what the Bible gives to us, with Rivers using her imagination to add details.
