My 10 year old daughter fell in love with book 1 of this series at school. I have purchased the rest of the books in the series for her as it has ignited in her a desire to read. (woo hoo) I just wish there were more in the series. She's on book 5 now.

My daughter received one of these books through a RIF program at her school. (Reading Is Fundamental) Now, we've purchased every book in the series. I recommend it to families with children this age. The books are very creative, characters have funny names. Very clever!

Teaching this series to my fourth graders had made their interest in reading grow even stronger! Great, creative, and genius! An adorable series for children 8 and up!

I have reluctant readers who LOVE these books! Fun, easy reads that keep the interest of those who otherwise wouldn't be reading at all!

Wonderful series! Sweet, fun, funny, and each have a mystery that gets solved. Endearing and charming--with lots of fun art.
