Guidebook For The Dead: DOUGLAS ADAMS (recently Deceased), As Told To Jack Black (not Yet Deceased)

Synopsis

'Guidebook For The Dead' is the 'unexpurgated' (enlarged) edition of 'Handbook For The Dead - Don't Panic', and adds more about, and from, Douglas Adams (deceased), author of 'Hitchhikers Guide To The Galaxy' - and with insights on what to do when you find yourself Recently Dead. Fans of Douglas Adams, and readers of the first (expurgated) edition, will love this new edition, written in Jack Black's uniquely humorous style. As in the first edition, Douglas Adams (deceased), and Hermann Gaswind Phaart, a German physicist, are sucked up by a Really Big If - a Really Big Improbability Factor - a White Hole, and are carried off on a hilarious sci-fi - a space opera - adventure, meeting Michael Jackson (Recently Deceased), Gene Roddenberry (Recently Deceased), author of 'Star Trek', and now captain of the decrepit space cruiser the Arc - Alien Rights Campaign - and others, and their efforts to get back to Earth, and discover if they are alive, or dead.

Customer Reviews

Really interesting speculation from a master.
