Customer Reviews

Wonderful resource for teaching the fundamentals of language arts. Also can be used with writing skills workbook. Workbook is not time consuming while getting to the heart of what needs to be taught. A valuable resource to have.

I am using this in our home school for my granddaughter. We just bought the book and she liked it so well she wanted to do more pages than I assigned to her. Very well done, and works well for ADHD children.

Added this to our daily homeschool curriculum. My son loves the pictures, and I love the organization and detail of the lessons!

I like this book.this book is very good book.
