Whiter Than Snow (Brides Of Weatherton)

Synopsis

A Christmas Marriage of Convenience: Raised in an orphanage, Tallie Duncan hadn't known love since she was a young child. When she secured a position as a nanny to two rambunctious boys, she loved them as her own, and they filled a void left by a life of tragedy. But when their mother discovered Tallie's secret, her position was immediately terminated. She found herself on the streets, in a town and land about which she knew nothing. Jeremiah Scott was returning to Weatherton, Wyoming after a six-year absence. Now that both of his parents had passed, he planned to renew the family ranch he'd left after his father's death. The train ride from Chicago to Cheyenne reminded him how lonely winters in the west could be without someone to share them. While in Cheyenne, arranging business deals and outfitting his ranch, he decided to find an impromptu bride. But when the bride was more than he bargained for, will it destroy his plans for marriage? A sweet romance for Christmas or year-round, set in late nineteenth century Wyoming. **Brides of Weatherton Series** After the Rain Fire and Ice Winds of Change Dancing on Dew (December 2015) Whiter than Snow- Bonus Novella- Read as a complement to the series or a standalone.

Customer Reviews

I wish this story was longer as I enjoyed the characters and the relationship of the couple. The plot was interesting. I understand the author desired to have the story be about second chances and hope, but I don't remember reading that it would be a very religious story. Still it was a hood read.

This story about making mistakes, but being given a chance to move past them is a big part of what the spirit of Christ is all about...fitting for a story told at the time of celebrating His birth. Judging almost cost one man, and did result in a family's loss, but accepting gained much for so many more. A sweet romance with an inspirational message.

What an inspiring story with a great cast of characters and heartwarming dialog. This is a great addition to the Bride of Weatherton series. It has a wonderful message to remind us that we all have our sins and that with God sin is a sin, not black, white or gray. Forgiveness and casting that sin as far as the east is to the west is God's way, and should be man's too. Tallie Duncan has had a very hard and sad life, losing her parents at the age of 7, becoming an orphan, then falling for one of the young men and planning to marry and he is killed in an accident. Working as a nanny for a bitter self-righteous woman who fires her and leaves her stranded, but God's timing is perfect. Jeremiah Scott is hoping to find a bride, but his time frame is only ten days. Can Jeremiah and Tallie find happiness? Is he a man who can look beyond her past and together make a future? Christmas miracles equal a lifetime of happiness.

This was a beautiful story about a young woman who gave herself to the man she was in love with and were to be married. Thankfully her new husband realized she was only human and we all make mistakes. It takes a real man to stand beside a woman like that, to forgive her past and to love her and her unborn child just as if it were his own. Unfortunately there are always those out there who are ready to condemn rather than forgive. He who is without sin cast the first stone. Thank you Leah Starr

What a sweet little get-a-way! Definitely fun and satisfying reading, but just not as satisfying as it could be in a longer book. You have the excitement of new adventures, the lonely being set in

families, villains thwarted, and lasting love.

Another good, short and sweet book by Leah Atwood. Tallie had made a mistake by allowing her fiancé, Gil, to take advantage of her, but finds that God can work out things better than she could have expected.

I had the honor to review this book for the author.. Talkie and Jeremiah's story is amazing. Tallie had a hard life before she met Jeremiah. He will completely change her life. You can feel God working throughout this book.

Heartwarming story of redemption and forgiveness. The world needs more places like Weatherton, where everyone is respected and entitled to a second chance. Tallie and Jeremiah find what they both need in Weatherton.
