The Esther Anointing: Becoming A Woman Of Prayer, Courage, And Influence

Synopsis

Be inspired by Esther, an incredible woman of God. Esther was willing to risk her life for the welfare of her people and the furthering of Godâ™s plan. Strategically positioned by God in a place of influence, Esther is a powerful biblical example of how God can use anyone. She answered Godâ™s call and went through a season of preparation physically and spiritually to get ready. Just like in biblical times, God is positioning women today and giving them divine opportunities to influence the culture for His glory. The Esther Anointing gives you the keys to Estherâ™s success, including the qualities that make women great, the power of influence, and the key to finding Godâ™s favor for your assignment. It doesnâ™t matter where you came from or what skills and talents you have; if you let Him, God can use your life for His glory!

I picked up my copy at Family Christian Bookstore Monday night October 6th. They put the book on the shelf 1 day before the actual release date. And I was surprised to see it on the shelf upon going into the store to pick up a specific item. All I can say is that was the favor of God. Having said that, I started reading this book yesterday and all I can say is that this book is so anointed and so powerful. But more importantly than that. This book is timely and was strategically released at the right time and in the right season for such a time as this! And I say that because everything that I have read up to this point although I am not yet finished reading the book. Is a now word, a relevant word, fresh word, a apostolic word and a prophetic word straight from the throne room of God as to what He is doing in the earth realm, amongst women, with women, and through women His

daughters in the Kingdom of God.I am a living witness to the things mentioned in the book as to what He is doing in and through us women. I can testify to these truths. It confirmational. And this book is a MUST READ!!! for all women.Thank you Prophetess Michelle for being synchronized and intuned with the leading and guiding of the Holy Spirit in writing this book and for releasing it in the right time and season. This book is not just a good word. It is a mandate, assignment and commission for all Esthers of this generation. To rise up answer the call of duty with boldness, courage, faith and fulfill destiny with a divine strategic strategy. May Abba Father continue to bless and prosper the work of your hands and open up even greater doors of opportunity for you for such a time as this. You ain't seen nothing yet Prophetess. Even though you have been ministering for a long time.
