THIS IS THE HOUSE THAT MONSTERS BUILT by Steve Metzler is a silly and slightly spooky adaptation of the popular â œHouse that Jack Builtâ • story. This fun picture book shares the story of the creepy creatures that build a spooky house on a hill. When kids show up for â œtrick or treat,â • they scare a vampire and set off a final round in this Halloween story. Librarians will find this book to be a hit around the Halloween holiday. The predictable story would work well for read-aloud experiences. The whimsical illustrations have just the right balance of silly and scary for younger readers.
