ISBN-10: 0802786251

ISBN-13: 978-0802786258

Product Dimensions: 1 x 1 x 1 inches

Shipping Weight: 15.2 ounces

Average Customer Review: 3.5 out of 5 starsÂ  [See all reviewsÂ \(4 customer reviews\)](#)

Best Sellers Rank: #1,040,060 in Books (See Top 100 in Books) #500 inÂ Books > Children's Books > Geography & Cultures > Travel #5413 inÂ Books > Children's Books > Education & Reference > Science Studies > Nature #5752 inÂ Books > Children's Books > Geography & Cultures > Explore the World

## **Customer Reviews**

The evocative, stunning illustrations and text certainly accomplish their purpose. Young readers will glimpse the majesty of the Grand Canyon and learn something about its past and present inhabitants. But I must confess, my children don't particularly favor books that describe natural scenery in straightforward detail as in "A ringtail cat drinks from a slower side stream", etc, etc.

This was a beautiful and informative book. The pictures were amazing, and it brought insight into the grand canyon that you do not get from traditional non-fiction. It really added great elements to my lesson, and I will enjoy using it my class for years to come.

I did not realize that this was written for children. I will give it to my grand children. Good information for the wee ones.

I didn't realize it is a child's book so it didn't meet my needs. It might be fine if you are 8 years old
