This will make a great gift for a young child or baby who is being Baptized Catholic. The book contains mostly prayers, but also has pages to fill in family records. The one thing I would have liked better, is for it to have had one or two empty pages to wright my own thoughts. Over all though this is a wonderful easy gift.

This book is so sweet. It comes in pink or blue and has easy-to-read prayers for children. In addition, it includes the most common Catholic prayers like Hail Mary, the Our Father and Grace before and after meals. It lists the the Ten Commandments, the mysteries of the rosary and the sacraments of the church. The adults can write in a dedication to the child and also fill in the dates of the child's baptism and other sacraments. The illustrations are mostly caucasian children, but a few minorities are included. All in all, it is a very sweet book and a wonderful gift for parents or God parents to give on a child's baptism day.

This is a great book for a baby. It has places to fill in their Baptism, as well as, other dates of Catholic Sacraments. I am in love with this keepsake!
