Customer Reviews

The characters are highly enjoyable and the plot is entertaining. This isn't the best story or characters I have seen by far but it still kept my interest. I really enjoyed the smut and character development. For a One shot it was well worth the read. Definitely a keeper in my collection.

I really enjoy reading Manga stories and this story did not disappoint from beginning to end I really enjoyed it. I loved reading about Wu and Zen's and how two assassin's from different backgrounds came together. A very good story.

I loves it. Had me hooked from the very start. What's hotter then two assassins in love? Two male

assassins in love. Epic.
