Map Skills: Teaching A Variety Of Map Skills (Grades 3 -4)

Synopsis

In this rapidly changing global world, people are challenged everyday to be culturally literate. More than ever, map-reading skills are a necessity for the informed student. This book contains the tools needed to teach your third-and fourth-graders to read and use a variety of maps and map features. Each topic presented includes a teacher page filled with background information, teaching suggestions, and ideas for related activities. Also included for each topic are several students pages that provide challenging practice with map skills of all kinds - map legends, scale, latitude and longitude lines, thematic maps, and so on. A glossary and answer key complete this valuable resource book. v

Customer Reviews

I used this book extensively in third grade. I am happy with the results. There is a teaching section and then student pages. It's a nice supplemental book.

Great in my Christmas Play! My 4th grade students did the Crossword Puzzle Christmas Play and it was GREAT! The audience loved it.
