Customer Reviews

Perfect for third grade reading level.

I like it!

My little 4 year old girl got a little bored because it hardly has any illustrations to go with the story. I think the story is good for older children.

I ordered the book, but didn't realize it was the Spanish version. This was my fault not 's. However, I don't feel that this review should carry any weight. It was too much trouble (for the price) to send it back, so I gave it to our school's Spanish teacher.
