Daniel: A 12-Week Study (Knowing The Bible)

Synopsis

The book of Daniel has all the makings of a great story: memorable characters, cliff-hanging moments, and incredible visions. Yet we miss the point if we pay more attention to Daniel's story than to Daniel's God. In this helpful study, readers will see how this fascinating biblical book ultimately points to the sovereign Lord of history, who rules over all earthly kingdoms and whose plans cannot be thwarted. Over the course of 12 weeks, these studies explore books of the Bible and:

- Ask thoughtful questions to spur discussion
- Show how each passage unveils the gospel
- Tie the text in with the whole story of Scripture
- Illuminate the doctrines taught in each passage
- Invite you to discover practical implications
- Help you better understand and apply God's Word

Excellent study guide. I especially like the Gospel Glimpses, Whole Bible Connections and Theological Soundings that are part of each lesson. The definitions of key terms is also a great asset. A great study guide that doesn't get bogged down in charts and diagrams but examines the eschatology in Daniel with regard to what it teaches us about God, our relationship to Him, and living for God today.

This is a phenomenal book. The man really knew his stuff and wrote in a truly scientific argumentative style by laying out all his gathered facts first and then making his conclusions. This is

truly a refreshing apologetic style.

The study was good for my Small group but as the leader I did have to consult other sources for more understanding of the latter half of Daniel,

Bought them for our church small groups. Came faster than we thought but still a little slow.

Worth the read.
