# Stephen M. Miller's Illustrated Bible Dictionary

## Synopsis

Here's a Bible dictionary for people who hate Bible dictionaries: With its fast-paced writing and gorgeous pictures, you'll wonder why more Bible reference books don't read like a magazine. Stephen M. Miller's Illustrated Bible Dictionary is the latest project from best-selling author Stephen M. Miller, who combines solid Bible scholarship with a compelling journalistic writing style. From Aaron to Zorah (Samson's hometown), here are some 1,400 entries on Bible people, places, things, customs, and ideas—all written for optimal clarity and enjoyment. This is a readable reference you'll want to consult over and over again.Â

## Customer Reviews

Well, I finally got my wish -- this is the most comprehensive and jammed pack reference book released by Stephen M. Miller to date. He has taken all of his works and made it into a Illustrated Bible Dictionary that has people, places, Bible book summaries, historical events, Bible doctrine, and almost anything associated with the Bible and history, and put it in the most attractive and visually pleasing book that will fascinate both a newbie to the Bible, and a most ardent Bible student. The price on is also amazing and even at \$19.99 you are getting a fabulous bargain considering how much research and editing went into this detailed volume. This is truly your BEST book, Mr. Miller, and I thank you for your dedication to your craft for presenting the Bible, God's Word, and the greatest piece of Literature ever written. I never thought I would see the day that the Bible could be this available to the masses, with scholarship and free from religious dogmatism and buzzwords of Evangelical fundamentalism. You can either read it as a dictionary or read it from

cover to cover from A to Z. What is unique about this book is that it has no index because each of the entries has a chain that you can follow by looking up words in small caps. For instance, if you are reading about the Ark of the Covenant, you can then turn to Tabernacle, Temple, Levites, Aaron, etc. and read more information. The dictionary is in Milleresque language, with his unique way of explaining the Bible -- at most times, very appropriate and enticing. Miller has attempted, and succeeds, to do what many Bible scholars have tried to do -- explain the Bible without boring us to death! We have been using Miller's "Complete Guide to the Bible" in our Community Book/Bible study that meets at our church.

Stephen M. Miller in his new book, "Stephen M. Miller's Illustrated Bible Dictionary" published by Barbour Publishing gives us a book For Those Who Thought They'd Never Read a Bible Dictionary. From the back cover: The Bible Dictionary for people who hate Bible dictionaries. With its fast-paced writing and gorgeous pictures, you'll wonder why more Bible reference books don't read like a magazine. Stephen M. Miller's Illustrated Bible Dictionary is the latest project from best-selling author Stephen M. Miller, who combines solid Bible scholarship with a compelling journalistic writing style. From Aaron to Zorah (Samson's hometown), here are some 1,400 entries on Bible people, places, things, customs, and ideas--all written for optimal clarity and enjoyment. This is a readable reference you'll want to consult over and over again. A Bible Dictionary created especially for newcomers. This Bible Dictionary is filled with information about Bible-time people, places and customs that not only is easy to read but is fast-paced, fun to read and hard to put down. Even if you have used a Bible Dictionary before you are going to like this one because, I believe, it has new information that other Bible Dictionaries do not have. To make this book as helpful as possible Mr. Miller has added a large number of cross references. If you are interested in a particular topic this book can provide the stepping off place for you. There are 1,400 entries and illustrations that highlight whatever the topic is. This is a resource that will be referred to over and over again. It is also a wonderful gift to give to family and friends so that they can use it over and over. Disclosure of Material Connection: I received this book free from Barbour Publishing .
