The Little School Nurse That Could: Episode.2

Synopsis

Despite the physical and mind games being played by the professor overseeing her training, Kana is still bent on becoming a full-fledged teacherâ until a surreal experience in an all-boys classroom turns that determination into humiliationâ |

Customer Reviews

Could not read or understand friend downloaded I removed it.

Characters are sort of predictable and not very relatable. I like how the main character is very determined to be a school nurse despite humiliation.

wish it was longer but still a good book so far.

Ends horribly.
