# Snow White: An Islamic Tale (Islamic Fairy Tales)

## **Synopsis**

Involving the power of a djinn, poisoned dates, seven dwarf sisters-in-faith, and a mysterious old peddler woman in the woods wearing a face veil, this lyrically told story offers a unique twist on this fairy tale, whilst keeping the classic much-loved story intact, including a hateful and vain stepmother, a considerate huntsman, and a charming prince. Set in the heady snow-strewn woodlands of Anatolia by the illustrator Shireen Adams, this tale of flight, friendship, and forgiveness is richly detailed and beautifully brought to life. Snow White is the second book in the Islamic Fairy Tales series, which looks to offer meaningful and faithful variants of these popular worldwide stories. Fawzia Gilani has worked as a teacher, librarian, and school principal in the United Kingdom, United States, and Canada since 1993. She is the author of thirty children's books, mostly on the topic of Eid.

## **Book Information**

Lexile Measure: AD780L (What's this?)

Series: Islamic Fairy Tales

Hardcover: 40 pages

Publisher: The Islamic Foundation (August 27, 2013)

Language: English

Grade Level: Kindergarten - 3

## **Customer Reviews**

I love this book so much. There is something about having an islamic twist on classical tales that I just find beautifulâ "it is the perfect mixture of finding religion through culture. This specific story I liked better than Cinderella (although I do recommend both!!!!) just because of the creative way in which the author infused certain principles! I do hope that in the next books she write, that Gilani

can try to incorporate non-hijabi but also islamic characters, not even as main characters! Actually, it would be fun to see all different types of Muslims! But aha! alhumdulillah the book itself is amazing, and I highly commend the author. I would love to be able to read the next novels iA!

I found this book at our local library. It's great!!! Snow White has a stepmother who has a magic jinn (instead of mirror) , there are seven dwarf sisters in hijab (instead of the old dudes) and instead of a poison apple, there are poisoned dates, and instead of a random prince who kisses her in her coffin, there is a prince who recites Surah Fatiha and then gets his Queen mother to care for her and then the mother asks Snow White to marry her son. It's really sweet and full of lovely pictures and references to the Quran ! I'm going to buy it from !!

I was looking for an alternative to the Disney version of fairy tales and this was perfect. Teaches my son how to be respectful towards women, and teaches my daughter that she is not just a pretty face....all while instilling strong moral values that are essential to Islam.

Son loves this book. The illustrations are very beautifully drawn and the colors are eye-catching. I enjoy the theme and new perspective on the classic story. I hope this author writes many more to come.
