Dog Whisperer: Storm Warning (Dog Whisperer Series)

Synopsis

Emily and her dog, Zack, have a special bond. But it's more than that—they can read each other's minds. Even more surprising, Zack knows when people are in trouble. Now, Emily and Zack are able to use their powers to save lives, though Emily is endangering hers in the process and making her parents worry. When a hurricane warning is issued, everyone in town starts preparing for the worst, but hoping for the best. What are the odds of a hurricane actually hitting a small town in Maine? Emily and Zack can't see into the future, so they don't know what's going to happen, but if the hurricane does come and the worst does happen, are a girl and her dog enough to save a town from the destructive power of Mother Nature?

Customer Reviews

I have read the whole series and this one is far out, my favorite! I love the relationship that Emily and her dog have. It's so adventurous, exciting, and sweet. I would recommend this book to anyone who still has a spot in their heart for animals (:

The book was very good but the ending was a little disappointing, I was hoping to find out who

Emily's birth mother was but it never said. Otherwise the book was really interesting, I wanted to read it.

My daughter is enjoying this series - and we wish there were more - she has read all three books and sad there are no more!

Kids are enjoying this as a read aloud. We read The Rescue first and my students requested I purchase the other two books!
