This book has interested me in continuing with other N.T. Wright studies when this one is completed. My class loves inductive studies. "1 Corinthians - Bible Study Guide" has very little reading other than the scripture, with brief introductory paragraphs at the beginning of each chapter. The emphasis is on generating thoughtful discussion with penetrating questions. Highly recommend.

Great detailed study of 1 Corinthians. Used this as a guide to teach an adult Sunday school class.

Bible study with some girlfriends. I like N. T. Wright's studies. he has many. Learning more about God by studying His word is what we all need to be doing.

These are some of the best study books available. Thoughtful insights and questions let us think of things we wouldn't have thought of otherwise.

Our small group has just begun the study ~ we are looking forward to the study. Looks good
