EXCERPT JOHN. CHAP. III In this chapter we have, I. Christ's discourse with Nicodemus, a Pharisee, concerning the great mysteries of the gospel, in which he here privately instructs him, ver. 1-21. II. John Baptist's discourse with his disciples concerning Christ, upon occasion of his coming into the neighbourhood where John was (ver. 22-36), in which he fairly and faithfully resigns all his honour and interest to him.

Christ's Interview with Nicodemus. 1 There was a man of the Pharisees, named Nicodemus, a ruler of the Jews: 2 The same came to Jesus by night, and said unto him, Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou doest, except God be with him. 3 Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God. 4 Nicodemus saith unto him, How can a man be born when he is old? can he enter the second time into his mother's womb, and be born? 5 Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God. 6 That which is born of the flesh is flesh; and that which is born of the Spirit is spirit. 7 Marvel not that I said unto thee, Ye must be born again. 8 The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the Spirit. 9 Nicodemus answered and said unto him, How can these things be? 10 Jesus answered and said unto him, Art thou a master of Israel, and knowest not these things? ... We found, in the close of the foregoing chapter, that few were brought to Christ at Jerusalem; yet here was one, a considerable one. It is worth while to go a great way for the salvation though but of one soul. Observe, I. Who this Nicodemus was. Not many mighty and noble are called; yet some are, and here was one. Not many of the rulers, or of the Pharisees; yet. 1. This was a man of the Pharisees, bred to learning, a scholar. Let it not be said

that all Christ's followers are unlearned and ignorant men. The principles of the Pharisees, and the peculiarities of their sect, were directly contrary to the spirit of Christianity; yet there were some in whom even those high thoughts were cast down and brought into obedience to Christ. The grace of Christ is able to subdue the greatest opposition. 2. He was a ruler of the Jews, a member of the great sanhedrim, a senator, a privy-counsellor, a man of authority in Jerusalem. Bad as things were, there were some rulers well inclined, who yet could do little good because the stream was so strong against them; they were over-ruled by the majority, and yoked with those that were corrupt, so that the good which they wished to do they could not do; yet Nicodemus continued in his place, and did what he could, when he could not do what he would. PLEASE NOTE: THIS IS THE UNABRIDGED AND COMPLETE COMMENTARY ON THE WHOLE BIBLE, NOT THE ABRIDGED CONCISE VERSION.

Customer Reviews

This book is impossilbe to navigate.You get the table of contents - and then have to trawl through the list of contentsto get to different books.OR you can hit the forward button on the side.You cant even go directly to the New Testament.I tried searching for the different volumes - I thought that

would get me partway through the book.. But that didnt work either.I hope that can get this corrected.

I got the sample and really liked it.... BUT am returning the full version. It is not possible to go to a specific location without turning pages all through starting with Genesis! it is basically impossible to use. I wish there was a way to do it... I have Kindle Fire and the info says it is supposed to work! It doesn't.

Would be better if it was easier to look up passages as you have to go to the table of contents, page by page to get to the book you want to research

I was excited to get such a bargain for one of the greatest commentaries on the Bible, however, after realizing I had to go through every book to get to the end, that is a lot of scrolling, too much scrolling. Please fix this and you will have a real blessing for those who study God's Word.

I have to go to the table of contents and scroll through the whole index to get to the book I want. After that, it's easy. I would like it better if I could have a more concise index that would enable me to go directly to the desired passage. The information is good.

Essential reference material for my research and sermon writing. Comprehensive and accurate. It's a bit dated, so the latest research isn't included - it's best to pair this a more recent commentary - with but the theological analysis is very good.

When I try to use the "SEARCH" to look up verses it does not work. I put in the verse and I wait & wait. Too bad because Matthew Henry has great commentaries for study. It takes a very long time to look up verses by paging.

Despite not having all the navigation whistles & bells, this resource is incredible. There is so much wisdom, perspective and content. We all seem to want information instantly and when we have to work a little bit to get that answer, so many fail to go forward. There is gold throughout these volumes. Your toil to reveal the nuggets will pay great dividends. God Bless you all.
