Customer Reviews

The pictures are great but the picture from the other side of the sheet shows through so they will not copy well. My biggest complaint is that I ordered this coloring book and the "Bible Story Coloring Pages" book at the same time. They are the exact same pictures! The only difference is the price and the 2nd book has the Bible story printed on the back of each coloring page. Unfortunately, I was not able to "look inside" either of these books to find this out BEFORE I ordered them!

I have taught non-denominational Sunday School for children at a hospital for about 8 years, and have updated my set of these, periodically. These are wonderful stories (straight-forward versions that don't appear to have bias). They are geared generally for elementary school children, but I have such a wide range of ages (toddlers to teenagers), and everyone loves them. Parents often

comment how nice they are, because the story is on one side, and coloring page on the reverse. They do include both Old and New Testament stories, however, for those of different denominations.

I chose this simple Bible coloring book to use as my homeschooling curriculum for my children, ages 4, 7 and 9 years old. I could not have been more pleased! For our daily Bible time, I simply had my children color the picture that corresponded to that day's story, and we moved through the Bible from Genesis through Revelation, taking two school years. My kids listened so attentively as I read, and afterward, we would discuss the story, its meaning and how it applies to us. Fascinating how a simple, childlike resource can facilitate great big Bible understanding. Two thumbs WAY up!!! (My kids are now 6, 9 and 11, and they STILL ask for these pictures to color as we discuss the Bible!)

I really am disappointed in these books. I was under the impression there was more of a story to go along with the picture. There is ONLY A VERSE and it doesn't even print the verse. It just gives the address at the top, i.e. "Genesis 1:1-2:25" That's it. I think you can find similar books at the dollar store. :(What a bummer!!!

Very cute coloring book. I plan to use it in my Sunday school class, and it will be a fun project for Bible School. It's easy enough for younger children to color, and not too childish for the older kids. It covers stories from the Old Testament all the way up through the resurrection of Christ. Most kids like to color, and it's a great for teaching them about the Bible. The kids can tape their colored pictures up around the room, and eventually take them home.

Very nice high quality coloring pages. The Bible characters are drawn well enough for a child to have interest in, but yet are not too cartoon-ish. The pages will help a child put Bible stories into an understandable context.

this is just like "Bible Story Coloring Pages" by Gospel Light- exact same pictures but one of them (can't remember which) tells the Bible Story as well as has the graphics. I have used both for S.S. many times - love it!

It is a nice coloring book. I just wish they had it so that you could tear out individual pages with the

perforated line on each page so that I could use it for Sunday School copies.
