Customer Reviews

I really enjoy when hentai has a good story. Good story and well done art definitely make the hentai, it might be blurred but I can deal with it, but I would prefer it uncensored. Overall this story is good.

This hentai had a good story and good characters also. I'm happy how it turned out in the end. Unfortunately this is yet another censored hentai manga but that aside it was still good and worth buying. There were certain pages that the art was done differently and I really liked how that art was. You'll recognize it from it bring darker and more colored in.

great book pic of big boobies nice
