Inside God's Arms Season 5 (Yaoi Manga): A Room Filled With Love

Yonezou Nekota

Synopsis

Reno's got a new roommate and his name is Roger Brower. His nickname is "Casanova" and there are rumors that he sells his body for money. Soon after arriving he asks Reno if he can leave the room for 3 hours once every 2 to 3 days so he can have sex with his clients, and Reno realizes the rumors are true. He tells Reno that he'll give him some of the money he makes as payment for renting out the room for that time. Reno reluctantly agrees and everything is going just fine until the day he accidentally walks back into their shared room and is confronted with the sight of Roger having sex with one of his customers. Customer Reviews

In this part of the series, Reno and Roger's relationship gets serious, but there's a big threat looming over their newly found love. It is a lovely manga, and worth owning. I only wish that it wouldn't be so censored to please the prudery police. I love Nekota sensei's works, they're of the highest quality both artistically and in narrative development. The plot is always engaging and the main characters are easy to root for and love.

So happy they're publishing this entire series, it's a great story. Once you start reading it you can't

stop, so it's great that all the volumes are now published so there won't be any waiting for subsequent volumes. I just wish they would publish it in paperback!
