# Inside God's Arms Season 6 (Yaoi Manga): A Room Filled With Love

## **Synopsis**

Reno's got a new roommate and his name is Roger Brower. His nickname is "Casanova" and there are rumors that he sells his body for money. Soon after arriving he asks Reno if he can leave the room for 3 hours once every 2 to 3 days so he can have sex with his clients, and Reno realizes the rumors are true. He tells Reno that he'll give him some of the money he makes as payment for renting out the room for that time. Reno reluctantly agrees and everything is going just fine until the day he accidentally walks back into their shared room and is confronted with the sight of Roger having sex with one of his customers. Vol.6 112 pages.

## **Customer Reviews**

Final Volume! Best Ending! So happy they're publishing this entire series, it's a great story. Once you start reading it you can't stop, so it's great that all the volumes are now published so there won't be any waiting for subsequent volumes. I just wish they would publish it in paperback!

I started reading this series based on the reviews I saw for the first volume. I am quite pleased with purchasing all six of these short manga books. The story is rather cliche, but I did like the fact that it does not follow the whole Top/Bottom (Seme/Uke) stereotype that is common in BL written for the

female audience. Both characters had decent depth, though more elaboration could have been given to their characters (the series is short, so what can a person do?). For someone who wants to read a fast series, this is an enjoyable read. After some research I did find that the six available for purchase in Kindle form are it for this couple, but there is another set revolving around a different couple, though I am not sure if it's at the same school or not. In total I believe 8 books were created for both series in the original Japanese, but when translated and scanned into English, this particular arc was turned into six volumes instead. The other four are not in Kindle form as of this time.

Nice yaoi (gay romance) manga, although the storyline was a little rushed for my taste. The artwork is pretty, the sex scenes intense. Nice read.

This series is wonderful because it has fully fleshed out characters who are complex and unpredictable. There is angst, but it's understandable given the conditions under of which these boys have been faced in the past and the present. I also love the artwork because it pays attention to details and the characters are all lovely in their own way.
