This has been nice to have to bring to mass for my 6 1/2 year old to keep busy. He even said they use some of the pages in his religious education class. They are just hard enough for him to be challenged and he likes coloring the pictures as well.

This would be a great tool for a teacher the pictures really have some that are more challenging than others to find. My 1st grader asked his 4th grade sister for help and she enjoyed the book too. I bought it to keep him busy during the sermon at church, but one day had him half way through the book. I was hoping to get more than 2 days worth of entertainment from it but its very thin.

This book is great and fun for both my 3 and 6 year old. Kid friendly pictures throughout! We use it during mass to keep the little ones occupied in a faith activity :)

My 4 year old loves this book and has been so quiet at church as she looks at it and colors it!
