Customer Reviews

Got it faster than I thought I would, and everything in tact. Had to make a couple of changes before final order, no problem, no confusion. Great experience.

Company Watchtower boast of their Bible translation that it is a literal translation. But it is a fact that it is not konkordant where the company will present its dogmas. When they're not out of the way to add words. See Colossians 1: 15-17 NWT. The Watch Tower Bible translators could not due to language. Hebrais, Aramaic and Greek. Is that why traslationskomite is secret? Thanks for an interesting and professional presentation! Greetings Carl Andersen
