WARRIOR: A CALL TO EVERY MAN EVERYWHERE

Synopsis

Men, we are called to be warriors. Deep in our souls, God has placed the heart of a warrior. It is the part of us that longs for battle, for conquest, for victory. We sense it: I have a battle to fight. A struggle to face. A war to win. The men of the Bible were all engaged in battle. They fought different battlesâ “in different situations, times, and ways, with their own distinct personalitiesâ “but fight they did. And Jesus? He was the greatest warrior of them all. And now, brothers, it is our turn. Today God is calling every one of us to be his warriors in that same conflict. Just as the heroes of the faith went to war for their God, so must we. This book, based upon the life of David, is a call to every man to rise up and be a warrior for God. Also available is a companion volume, *The Warrior Workbook*, a tool that will help you bring the principles into your daily life by 1) showing you how to become a part of and build a Warrior Group, and 2) providing additional valuable study materials. The Warrior Group is vital in that it will give you the friendships and encouragement you need to win the great battles ahead. Are you ready to be inspired? Are you ready to become a mighty warrior for God? *Warrior* is the book for you!

Customer Reviews

I absolutely love the entire warrior series. This is a wonderful story. I truly enjoyed this book; very

uplifting. I feel like he could have made a great warrior but being a medicine cat apprentice seems to suit him more. Very interesting I really enjoyed reading this novel.

Sam does what he does best here in Warrior, he tells a story while convicting your heart. Sam has an amazing way of pulling you in and changing your heart. Warrior is a call for every man to step up and become the warrior we are meant to be, the warriors God calls us to be. It is a rally cry for ever man to grab another warrior and forcefully advance God's kingdom. If you have not read it, now is the time, God is calling you to battle. The spiritual battle is always raging, and we all need a reminder from time to time that we are a part of that battle. Thanks Sam for your heart for God and this call to be a Warrior for God!

Sam Laing does it again! Elaborating on the themes he began exploring in his previous book for men (Mighty Man of God), Warrior takes us deeper into the heart of godly manhood. David has always been one of my favorite biblical characters so this book was right up my ally. I found myself moved to tears and stirred deeply in my soul over and over again as I read this challenging, inspiring message that will surely call men everywhere to rise up and heed the call of God! Get it, read it, re-read it, apply it, and gift it to others.

I have always loved the story of David and how he was a true man of God. I loved the warrior book, so much gems in this book. I was looking for a spiritual book that would inspire. I think Sam Laing has put into this book, life changing lessons that were inspired by God and his word, and I just added the Kindle version of this book. Read this book and apply the biblical lessons and be his warrior. Jose Rivera from the Worcester Church of Christ

I read the "Vignette-The Lion", and was brought to tears because I have three young daughters that I am sure would be easy prey for a lion. I am challenged to be the shepherd that protects them. I look forward to digging in to this book. Sam is a fine writer, and his books are very inspirational for men who are seeking to deepen their relationship with God.

Are you looking to be a man that makes a difference in life, family, home, community, workplace and church? Then you have found a must read and MUST APPLY book! Live the legacy God desires for your life...TODAY! Choose a life of impact and become a Warrior for the Lord.
