## **Customer Reviews**

This is five books in one, some authors you will enjoy more than others. All five books have some kind of romance and suspense in them. They are not connected in any other way, some are novel length and some are novellas. I was given a copy of this book from the publisher for my honest opinion.

**Treasures of the Heart**

This is an easy read with some twist and turns. Nikki and Rob have been friends for years. So when Nikki decides to move to help out an aunt in need will their friendship last or maybe become something neither one expected. Nikki is trying to help out her aunt and discover the mystery behind her aunt's finances. She is not sure who to trust and who not to. You will find yourself guessing some of the outcome, some may be correct and some will

surprise you. If you enjoy a good quick easy read with some romance and mystery you will like this book. *Live Free or Die* This novella is not an easy read. It takes some concentration. I was confused at times but it did clear up. I'm not sure if this is part of a series or not but it feels like I came into the middle of a series. There is MI5, MI6, CIA, and IRA all involved in a mix up. Not sure who to trust and who not to trust keeps you always on your toes. Dawkins and Katie must both face past failures to even come close to facing a future. Between bombings, jobs and feelings they must place God first to find true peace and happiness. There is mystery, suspense, Romance, friendship and forgiveness all wrapped up in this book. *Mistaken Assassin* This novella is book one in the Overcoming Evil series. It will grab your attention and keep it all the way to the end. It is full of suspense, mystery, love and romance. Mari is just trying to figure out who she is, whom she can trust and to stay alive.
