How To Study Your Bible: Discover The Life-Changing Approach To God's Word

Synopsis

Beloved Bible teacher Kay Arthurâ™s inductive study method has helped millions of people discover the truth of Godâ™s Word for themselves. This bestselling and dynamic guide, written with David Arthur and Pete De Lacy, invites readers of all levels of Bible literacy and learning to dive deeper into Godâ™s promises. Now you can cultivate the inductive skills of observation, interpretation, and application and become an active participant in Godâ™s Word. In 15 easy-to-understand chapters, the authors present a systematic approach that includes key words, context studies, comparison and contrasts, topical studies, and more. This life-changing way of understanding and exploring Scripture reveals the Bibleâ™s message and helps you live boldly and confidently in Godâ™s truths.

Customer Reviews

Excellent practical treatment of the inductive Bible Study method. So much richness can be drawn from the scriptures if we know how to mine it. I've been a fan of the method since I read a Navigator's study book 30+ years ago. This up to date treatment gives ideas for how to mark various words with specific symbols to catch your eye and teaches you the Why questions you can ask that will help you go deeper. This has a companion workbook and there is now a hardcover Inductive Bible Study Bible with wide margins to keep your notes permanently. It follows the basic guidelines of Observe, Interpret and Apply. Lots of charts, worksheet and other tips. I plan to use this with my small group to teach them to go deeper in the scriptures. This is not specific to any denomination or set of teaching.. just a way to ask questions and examine the scriptures for

yourself!

Companion workbook to the book by the same author. It is an excellent practical treatment of the inductive Bible Study method. So much richness can be drawn from the scriptures if we know how to mine it. I've been a fan of the method since I read a Navigator's study book 30+ years ago. This up to date treatment gives ideas for how to mark various words with specific symbols to catch your eye and teaches you the Why questions you can ask that will help you go deeper. This has a companion workbook and there is now a hardcover Inductive Bible Study Bible with wide margins to keep your notes permanently. It follows the basic guidelines of Observe, Interpret and Apply. Lots of charts, worksheet and other tips. I plan to use this with my small group to teach them to go deeper in the scriptures. The workbook gives you worksheets for doing your own study using the inductive method. This is not specific to any denomination or set of teaching.. just a way to ask questions and examine the scriptures for yourself!

Clear and concise, helps to avoid "chasing rabbits'. Keeps the student on track. Great teaching aids to extract what the message truly is without guess work. Highly recommend for anyone who wants a deeper experience with God.

Excellent--shows how to approach a passage to learn as much as you can from it. It is a resource book I will keep in my library.

I needed a new approach to my quiet time and I was blessed to have this as a guide - highly recommended from a friend, I'm so glad I purchased this!

Fabulous resource! I keep ordering copies of this book to give away! I was one of the many who grew up in the church but had never been taught to study the Bible in this life-changing way. This was the key that unlocked the Truth for me!

I was really excited to see this book! For some time I was looking at the Study Bible, by the same publisher, that had a full bible plus these pages. Truth be told, I didn't need a new bible. I already had one. I really just wanted the instructions on the study method. This book was exactly what I needed, and a much more affordable option. The book takes you through the process and steps of in depth expository study of the scriptures, and is great for the new believer to the seasoned soul.

Super hands on book that takes you right through the process of Bible study. The book taught me how to get so much more from my time spent in Bible study.
