Customer Reviews

I bought this book because my 6 yr old is a huge fan. From other reviews, I thought the reading would be for his age. Although, it is a more advance reading level he is enjoying it.

Delightful and direct, Neymar The Wizard is a wonderful read and great fun for soccer fans everywhere. Read it to your kids and then read it for yourself again. Dreams can come true... just ask Neymar.

Bought this book for my 10 year old soccer loving son who prefers graphic novels to books. It's written in a very engaging story telling style that is perfect to keep kids interested.

I couldn't stop reading my eyes were glued to the kindle. I read the whole book in 1 sitting. Definitely worth a read if you want to know Neymar' s life story in an entertaining way.

Both of my boys and I read this book and we all loved it. The kids are crazy about soccer, but even if you're not, this story is so sweet and inspirational. Anyone would love it!
