# Professor Kant's Incredible Day (Plato & Co.)

## Synopsis

At its most basic, philosophy is about learning how to think about the world around us. It should come as no surprise, then, that children make excellent philosophers! Naturally inquisitive, pint-size scholars need little prompting before being willing to consider life's big questions, however strange or impractical. Plato & Co. introduces children and curious grown-ups to the lives and work of famous philosophers, from Descartes to Socrates, Einstein, Marx, and Wittgenstein. Each book in the series features an engaging and often funny story that presents basic tenets of philosophical thought alongside vibrant color illustrations. In Professor Kant's Incredible Day, the philosopher Immanuel Kant wants only to be left in peace to consider life's big questions: What can I know? What can I hope for? But, when a perfumed letter arrives one day, it interrupts his studies and sets off a series of events the dour professor could not possibly have predicted. But just when it seems as though all of Königsberg is plunged into chaos, he realizes that this perfect storm may hold the answers to his most pressing questions. Plato & Co.'s clear approach and charming illustrations make this series the perfect addition to any little library.

## Book Information

Series: Plato & Co.

Hardcover: 64 pages

Publisher: Diaphanes (August 15, 2016)

Language: English
