Customer Reviews

Just what I was looking for - I wanted to explain to my two children the true story of Christmas, and this was just the ticket. Simply written, without sounding condescending. Recommended.

In addition to this popular book, parents might also want to get a copy of "The First Christmas" at:<http://www..com/First-Christmas-I-Flair-ebook/dp/B00NQA0G0K/>It is especially written for parents to read aloud to their youngest children. It tells the true story of the birth of Christ in a way that children can completely understand and enjoy.

I downloaded this onto my Kindle so that my daughter and I could read about the true story of Christmas during the holiday. I loved the way it was written, very simply so that a child would be able to understand it.

Short bible stories suitable for kids self reading. Daughter loves reading it. Most stories are few pages and perfect length
