Prove It! The Catholic Teen Bible-Nab

Synopsis

Sometimes the answers aren't enough. Sometimes you want to know why they're the answers. Any Bible can answer questions. This is the one that explains why those answers are the answers. The answers to what? To the questions you've been asking your parents, your teachers, your friends & yourself. What's life all about and where do I fit in? What's my life all about, and where do God, family, friends, and all the rest fit in? How do I know God even exists, and what do the life and death of Jesus have to do with me right here, right now? If God loves us all, why should I bother taking my Catholicism seriously? If all religions are pretty much the same, why be a Catholic at all? Here is the inspired Word of God. Here is what God has revealed to us about himself simply because he loves us so much. Here is what the Catholic Church teaches about the Bible and Tradition and why it teaches those things. Why the Bible matters not just in the life of the Church but in your life. Here is how to read the Bible & how to understand, to "de-code," what its authors were saying to their particular audiences thousands of years ago. How to truly hear what the Holy Spirit is saying to you today. "The Bible matters?" Yes. "Prove it!" That's exactly what this book does as it takes a frank and honest look at God, Jesus, Church, prayer & you.

Customer Reviews

The words at Catholic Mass (Roman Rite) have recently changed! I wanted to buy a new 2011 Bible

("NABRE") that would more closely reflect the new English translations. I didn't know which NABRE Bible to buy, so I bought multiple ones and will continue to add my reviews/comparisons below. (The Bible you are considering on this post is #3):(Bible #1) The "New American Bible Revised Edition - NABRE Burgundy Hardcover" by Saint Benedict Press has a very beautiful cover/binding. Direct quotations from the Lord Jesus are in Red ink, and I like that. The paper is a bit thin, but this didn't bother me; the "see-through" nature is mild and not distracting to me. The hue of the paper is stark-white, and I prefer a more relaxed hue (much like my preference for incandescent light versus florescent light). The exposed edge of the paper does not have index markings or tabs for the various books of the Bible (this is a feature I enjoy). The reason I went with 4 stars not 5 is because of the glossy nature of the paper - it feels too slippery to me. I found it a bit difficult to flip a single page... and there's no way I'm going to lick my finger to flip pages while reading the Bible!(Bible #2) The "Saint Joseph Bible-NABRE [Hardcover]" by Catholic Book Publishing Co. (says "Medium Sized Edition" on the cover) is excellent - I gave it 5 stars. The cover/binding is a bit plain looking and has a cloth-type texture. The photo of a large blue cube-shaped Bible is completely false - this one is yellow-orange (or tan) in color, on all faces. Inside, there are no Red text to highlight direct quotes from the Lord Jesus. The paper is thicker than the Saint Benedict Press Bible and does not have the glossy/slippery problem. Also, the paper is white with a nice subtle yellow hue.
