Squirrely Gray (Picture Book)

Synopsis

SQUIRRELLY GRAY LIVES in a world without color. His TV is the only fun he has. (And it's really not much fun.) But tonight is an unusual night for the young squirrel. First he meets the Tooth Fairy, who is very nice. And then he meets the Hungry Fox, who is not so nice. So turn off that TV, Squirrely Gray - the fun is just beginning! Mixing playful verse with comics-inspired illustration, James Kochalka has created a unique picture book and an imaginative fable that will have kids rooting for the always adorable, sometimes courageous Squirrely Gray. From the Hardcover edition.

Customer Reviews

I bought this book because my grandson had gotten another book by this author at his school library. The other book was called "Johnny Boo". These books are very amusing and fun for 5 year olds and parents/grandparents alike. It was also interesting that the Author, James Kochalka, lives in the same area of Vermont as my grandson. I think I will suggest to the Kindergarten Teacher that they invite him to visit the school if they haven't already.

My son loves squirrels and silly stories about them so this book was a perfect gift! He doesn't love reading and has to be coaxed to do so...but the clever story and the great illustrations kept him captivated even at age 11. We've read this book together many times and we laugh each time. It's

easy to read but the comic/graphic images prevent it from appearing babyish. I highly recommend it!
